

Yellowfin Tuna

(Thunnus Albacares)

ANOVA

Yellowfin Tuna

Anova® is a leader in sustainable harvesting of Yellowfin Tuna. With programs in place like the Fishing & Living™ initiative and working with organizations such as FairTrade, Anova delivers responsibly sourced Tuna you can feel good about!

From Filtered Wood Smoke to Ultra Low Temperature, frozen and value added Tuna, Anova offers a full selection to meet your needs.

Yellowfin Tuna is the ‘flagship’ in sushi bars and is also a popular dish choice when seared. Yellowfin is available in a variety of product forms and sizes such as: loins, saku blocks and steaks for multiple applications. Choose the cut that best suits your needs.

Anova is always auditing and expanding its supply matrix to ensure a consistent and high-quality supply to customers.
