

# EXPORT PACKERS FOODSERVICE

*Committed to Senior Living & Healthcare*

## *A Message from Andrea*

The most recent Pandemic has changed our world in foodservice and at Export Packers. As a global organization that is committed to Healthcare and Senior Living, we wanted to let you know that we are here and dedicated to serving you.

We recognize the importance of this market and the work that is being done every day to support residents and patients to ensure they are healthy and safe. As a result of all the change, we have recently reorganized our teams across Canada. We are accessible and ready to help you. As we navigate through these uncharted waters, we will continue to focus on what is most important to you.

On behalf of my entire team, thank you for what you are doing and continue to do, and we look forward to connecting with you very soon.
