Canned Fish

Family Delight™ Canned Salmon and Tuna is the starting point for delicious, convenient meals. We offer a variety of species with a range of price points.

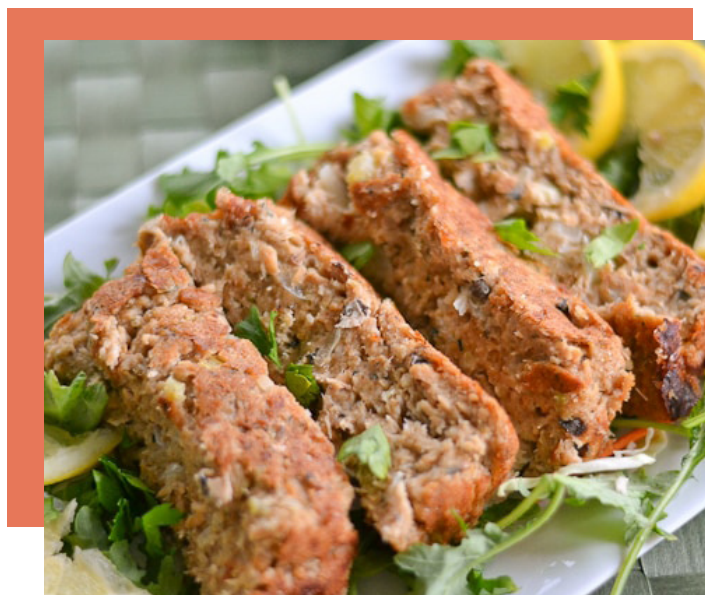

The Family Delight Difference:

- Our Salmon and Tuna are cooked only once, in the can, preserving their natural flavours
- Available in Pink or Sockeye Salmon and in Albacore or Skipjack Tuna that hit various price points and flavour profiles
- Easy to store on a shelf in a cool, dry place
- Versatile usage: add to a salad, in casserole, sandwich, cakes or on a crostini
- Economical – a great source of protein for a very affordable cost per serving

Pink Salmon has a mild flavour and softer texture and is a good source of protein. Sockeye Salmon is rich in flavour and firm in texture and available at a more premium price point, and is an excellent source of protein.

Albacore is a classic white Tuna with a clean flavour and firm texture, and an excellent source of protein. Skipjack Tuna is lighter in colour, with a full Tuna taste and is a source of protein and low in fat.

All Family Delight products are OU certified.
